

# MODEL TOBACCO-FREE POLICY FOR FAITH-BASED ORGANIZATIONS

## PURPOSE STATEMENT

According to the U.S. Surgeon General's Report of 2006, the Environmental Protection Agency of 1992, the South Carolina Clean Indoor Air Act of 1990, and the Federal Pro-Children Action of 1994, tobacco use and exposure to secondhand smoke (environmental tobacco smoke) are hazardous to the health of human beings. As a faith-based institution/group, we are dedicated to improving the health and well-being of our congregational members and community residents. We recognize that tobacco in any form is a major cause of preventable disease and death. It also has been acknowledged as a fire hazard. Thus, the use of all tobacco containing or tobacco derived products, smokeless tobacco (snuff, chewing tobacco, dip, and snus), e-cigarettes, and other tobacco or non-FDA approved cessation products are prohibited. This does not apply to Nicotine Replacement Therapy products (gum, patch, lozenge, inhaler), which help tobacco users with cessation efforts.

## GOALS

The goals of this policy are to provide a safe, healthy environment for our congregational members, employees, visitors, and community residents. These goals will be achieved through efforts designed to:

- ❖ Exhibit model tobacco-free behavior for our youth and adults;
- ❖ Eliminate exposure to secondhand smoke (SHS);
- ❖ Provide information on and/or promote smoking cessation programs for those in need;
- ❖ Reduce fire hazards

## PROCEDURES

As a faith-based institution, we will:

- ❖ Prohibit tobacco use in this facility, all vehicles, parking lots, and at any of its sponsored meetings, conferences, events and functions on or off its property, by all people (pastors, employees, members, visitors, contractors, delivery drivers, etc.).
- ❖ Support the prohibition of tobacco use by sponsoring tobacco-related educational sessions.
- ❖ Educate all group members regarding the harm of tobacco use and secondhand smoke.

## ENFORCEMENT

As a faith-based institution/group, we will be responsible for enforcing this policy and determining the appropriate sanctions for violations of the policy.

## EDUCATION AND ASSISTANCE

As a faith-based institution/group, we will be responsible for providing support, educational sessions and materials, and referrals for cessation services.

## TOBACCO INDUSTRY MARKETING OR SPONSORSHIP

As a faith-based institution/group, we will not accept any sponsorship from any tobacco-related producers or marketers. In addition, we will not allow tobacco advertising on gear or other paraphernalia at any function/activity.
